PRELIMINARY AMENDMENT

Sir:

Prior to calculation of the filing fee and examination, please amend the above-identified application as follows:

IN THE CLAIMS

Please amend the claims as follows:

8. (amended) A computer program product wherein the program product is operative to cause a processor to perform the method as claimed in claim 1.

REMARKS

The foregoing amendments to claim 8 was made solely to avoid filing the claim in the multiple dependent form so as to avoid the

additional filing fee.

The claim was not amended in order to address issues of patentability and Applicant respectfully reserves all rights he may have under the Doctrine of Equivalents. Applicant furthermore reserves his right to reintroduce subject matter deleted herein at a later time during the prosecution of this application or continuing applications.

Respectfully submitted,

By
